Club Activities

Meetings

General Member Meetings are held once a month, generally before the monthly board meetings. Check our calendar at www.cgsc.org for the next one. These meetings are the time for the Club Officers and Committee Chairs to report to the members regarding the business affairs of the Club as well as the social events. Members also use this time to socialize with each other.

Racing

No Sailing Club would be complete without an active racing program. Coconut Grove Sailing Club has a very active program that even the non-racers are proud of. We are supporting members of the BBYRA (Biscayne Bay Yacht Racing Association). The BBYRA is supported by all of the Clubs on the bay and maintains an active schedule. We also host numerous regattas, both national and international. We have a reputation on Biscayne Bay of having one of the best Race Committees, in that we have the least number of protests and the best organization. We owe this to our hard working Race Committee members and the leadership of our Fleet Captain.

Cruising and Rendezvous

We have a committee that organizes monthly rendezvous for the cruising segment of our membership. These turn out to be relaxing and fun weekends. Most bring a dinghy tender so they can go to fellow member's boats for get-togethers or cookouts ashore.

Every spring the Rear Commodore hosts the Club's "Annual Rendezvous". This is a major event for the Club. Upwards of 300 people attend this event. The weekend is packed with events for adults and children, as well as family events for everyone. Everyone comes home from the Annual Rendezvous having had a great time.

Marine Instructional Programs

Coconut Grove Sailing Club exists to promote the art and sport of sailing. To support this, we must introduce newcomers to sailing. We have a Community Sailing Program that teaches beginning sailing to adults and children. During the summer, we operate a sailing camp for children ages 8 through 15. We also have intermediate and advanced courses for children that embrace the sport and wish to continue. Coconut Grove Sailing Club develops sailors through our children's Racing Development Program. In this program, children become members of the CGSC Racing Team and compete in children's regattas around the state. One of our own, Kim Logan represented the United States and the Coconut Grove Sailing Club in the 1996 Olympics. She was not the first CGSC sailor in the Olympics, nor will she be the last.

Our Adult Sailing Program starts with "Learn to Sail", followed by Intermediate and Advanced Sailing. We also offer "Clinics" for improving student's sailing skills. All of our instructors are U.S. Sailing Certified and are also assisted by experienced coaches. All are volunteer members of CGSC. We also have weeknight classes in various topics such as "Coastal Navigation", "Weather & Seamanship", "Celestial Navigation", "Hurricane Preparedness" and more.
