Volume 58 Issue 8

Eat, Sleep, Sail is Optiman's motto. He counts down the days each week until he can head to the Club for practice on the weekend. Nick is proudly carrying on the CGSC tradition of outstanding youth sailors. He is the son of Ken and Katherine Voss, and a mentor for sister Kara.

Nick is currently one of the top 15 Optimist sailors in the country. For the past two years he has held the honor of being the youngest member of the US Optimist team at both the North and South American Optimist Championships, competing in Canada, Bermuda, Ecuador, and this coming April in Uruguay. Nick says that while he is proud of all his sailing accomplishments he owes them to his coach, Pat Downey, and his friends for getting him up to this level. He is also grateful to his parents for taking [and paying] for all the regattas. Every weekend Nick practices with his friends at CGSC pushing each other to a higher level.

Nick began sailing in the waters of Maine when he was 5 years old in his parents Dyer Dow. At 6 he received his first Opti 'Purple People Eater' and began sailing it in front of the *Coconut Grove Sailing Club*. If there was even a breath of wind he wouldn't go out! The next year he participated in Reggie's Learn to Race Class and was soon a young member of the Green Fleet. After many crashes and a lot of fiberglass work by his dad and grandfather, he placed 2nd at Miami Yacht Club and was soon out of that fleet. With coaching from Jason Timmons while in White Fleet he continued to learn and succeed, placing high in regattas such as the International Valentine's Day Regatta at St. Petersburg, the River Romp at Edison Sailing Center in Ft. Myers, and many others. When he was 10 he qualified for the North American - Optimist Championship in Kingston, Canada. It blew 25 to 40 knots on three out of four days [on the one lighter day he finished 3 and 12]. As the youngest and the lightest sailor at the championship, he finished mid-fleet and was proud to be there. On Thanksgiving he traveled to New Orleans to compete in the MidWinters. There he placed 15th, qualifying for the South Americans in Salinas, Ecuador. There again he was the youngest. And next year he will travel to his second South Americans, in Uruguay.

He currently attends Epiphany Catholic School in South Miami and is in 7th grade. He works hard in school because he knows his parents say "No grades-No sailing" . . His present goal is to be a Naval Architect or Marine Archeologist. He enjoys soccer, kneeboarding, skimboarding, skiing and pretty much anything on water. He says he looks forward to coaching another Voss, his sister Kara, who seems to be following in his footsteps, she won't go out if there is any wind either!

The members of the sailing club support you Nick. We wish you the very best in Uruguay. We need good Naval Architects and will be rooting for you through your sailing career.

COMMODORE'S REPORT

The holiday season was a very active time at the Club. My thanks to our Santa *Volunteer Carlos Bruzos*, and his “sleigh driver” *Bill Beavers*. The children were just delighted to see Santa sail into the club dock with Bill’s red and white Spinnaker displaying that proper festive yacht dress.

Thanks to all of you who helped out with our New Year’s Eve party, particularly Entertainment Chairman *Marc Buller* and co-chair *Kathy Peak*. The House Committee Chairman *Jack Hamm* did a great job of getting all the “new” boat pictures back on the wall before the New Year, and I must say the Club looked just beautiful that evening. Over 120 people showed up to celebrate.

Another big event at the Club was the Annual BBYRA Awards presentation January 3rd. I’m proud of the strong showing that our sailors made at this event. We truly have some of the most active racers in Miami. Congratulations to all the winners [see Racing News] and to *Dave Kurtz*, BBYRA Chairman, and *Lionel Baugh*, BBYRA Fleet Captain Coordinator.

If you haven’t had some of *Chef Alex’s* wonderful cuisine you are missing out on some of the best food in Miami. Our Monthly Dinners are particularly outstanding and have been at full capacity. You must always RSVP early, since the Office has started closing out events when the occupant capacity of our building has been reached. Please remember that your Kitchen, Bar and Party charges are applied against your Annual Minimum. Begin using up that annual minimum early in the year, don’t wait until June. Please note that on your monthly statement the Annual Minimum will no longer be billed [monthly] as was done in prior years. Now you will see the designation “Unused Minimum” on your statement. As you use our amenities, when fully utilized by each member that item will disappear. The rules established for our Annual Minimum allow that any [unused] portion that remains on June 30 [the end of our fiscal year] will be billed to your account.

Thank you to *Charlie and Jennifer Abell* who have taken over the Club’s – Gift Shop duties again! Your CGSC logo items will be available “for sale” on Friday nights before the General Meeting and by Special Order. You might also drop by to take a look at what is available for purchase.

The weather has been perfect for sailing. See you out on the bay!

Andrea Stringos

VICE COMMODORE'S REPORT

Volunteerism has always been the driving force in our Club. The Board of Directors and Flag Officers are most easily recognized and certainly provide great contribution. There are also many other individuals who contribute at many different levels.

For example, our Youth Sailing Program has reached levels of excellence as a result of the hard work of Charlie and Jennifer Abell, Jose and Beth Hernandez, Jeff and Kathy Zirulnick, Kay Voss, and other involved members. With the growth of their children they will be moving on to new challenges. We need to find another champion of this cause or the program will slip in quality or even disappear.

Other examples of dedicated *volunteerism* are found in our Adult Learn to Sail Program. Back twenty-five years ago adults were taught to sail in Prams. But, today, through the efforts of Richard Crisler, Dudley Clark, and Charlie Branning, the club can now boast an exemplary program using what some consider adult sized boats and using “certified” Instructors.

Volunteers like Gonzolo Belini and Bill Beavers have been tirelessly monitoring our moorings to make sure they are safe by optimizing design and studying their condition. Jim Williams recently decided that the sound system in the Grove’s Nest Bar needed improvement. He purchased the necessary components and installed them himself. Jack Hamm decided the Bar needed remodeling, so he launched a campaign to fund that project, which included consulting a decorator and just got the job done!

These are only a few of the examples that have randomly come to mind. My purpose for citing them is to provide a small picture of the impact that *volunteers* make in this organization.

If you see someone who you know is *volunteering* time please take a moment to thank him or her. If you think you could do better, please consider the fact that you didn’t do it, they did, and spare them the critique. If you really hate what they did, please don’t complain. Sign up for that Committee next year and get involved. The people doing the work get the vote on how they going to do it.

If you would like to be our next champion for youth sailing or you have a project you think could improve this Club, step forward. You will then have pleasure in seeing the impact your work can have on the organization and contribute to our volunteer spirit at the Coconut Grove Sailing Club.

Bud Price

Race Committee Report

We co-hosted the **Orange Bowl Regatta** for two classes of dinghies, Lasers and Lighnings.

The Lightning Fleet had 33 entries and 31 boats competing in 6 races over the three day event. The fleet will be holding the World Championships on Biscayne Bay this spring and this years Orange Bowl Regatta gave them a preview of conditions they will be seeing soon. The competition was fierce because the regatta brought sailing champions of World, National and Olympic notoriety to Miami, pushing the performance of all that came out to participate. Tito Gonzalez, Jody Swanson, Cristobal Perez, Matt Fischer, David Starck, Jeff Linton, and Jack Elfman to mention just a few.

Club member Bill Mauk is Chairman of the World Championship Regatta and finished in the top third of the pack against some pretty stiff competition. The City of Miami and the Sailing Club couldn't have asked for better weather to this event. It was sunny, cool, and breezy. The winds shifted over the course of the 3 days of racing from south to east to north and everything in-between. The breezes were heavy early and moderate as the event progressed giving light air boats opportunities as well as the heavier crews. The conduct of the racing did not produce a single protest in the Lightning's and "only" one with the Laser fleet.

The Lasers had a 24 boat fleet with some very aggressive starts and tight action at the rounding marks as well. After the Lightning's went through a few General Recalls for one race, Art (a Laser sailor himself) decided to get the Lasers started before their hands and feet got to numb. The water temperature was obviously the more important weather factor for this boat. We had a nice crisp 70 degrees, with the air temps ranging from low 50's early to upper 60's late. Many Thanks to Art Auwaerter, Vicky Rosenbloom, Jeanne Bunten, Jo-An Pszeny, Al Chapin, John Degan, Dave Holland, Charlie Branning, Jim Bigham, Ann Platt, Marvin & Helene Schenker, Joe Lorenzo, and Joe Horgan to mention a few of our dedicated members who helped make the **Orange Bowl Regatta** such a huge success.

***Wil Bourne, Chairman
Race Committee***

Orange Bowl Regatta

The annual Orange Bowl International Youth Regatta was hosted by Coral Reef Yacht Club on December 27-30, 2002. The annual regatta included four days of competitive sailing, two delicious dinners, a super party and raffle, and many fun activities and opportunities for sailors to meet fellow sailors from across the U.S. and from other countries as well. Maryellen Blanco coached the following Green Fleet sailors: Virginia McMahon, Kelsey Pazul, Alex Tyka and Kara Voss. Pat Downey coached the following RWB Opti sailors: Katie Abell, Philip Alley, Niklas Anderson, Carla Aronsohn, David Harrison, Laura Hernandez, Nick Voss and Brittany Zirulnick. Eric Aronsohn and David Hernandez represented CGSC in the Laser Radial class.

Congratulations to the following top finishers!

Blue Fleet:

Nick Voss 3rd Place

Red Fleet:

Niklas Anderson 5th Place

Overall:

Niklas Anderson 6th Place

Nick Voss 9th Place

LYC Boomerang Regatta

Fourteen sailors from CGSC attended the annual Boomerang Regatta hosted on January 11 & 12 by the Lauderdale Yacht Club. The Green Fleet had 49 sailors, while the White Fleet had 16 and the Blue Fleet had 25. Saturday proved to be difficult for sailing with little or no wind most of the

day. The Saturday night party was plenty of fun with great raffle prizes and a delicious dinner. Sunday proved to have better sailing conditions for the sailors allowing them to have good, competitive races. What a sight it was Sunday afternoon when parents and coaches had a chance to compete in Opti races of their own! Under the leadership of Coach Pat Downey, the following sailors represented CGSC:

Laser Radial: Eric Aronsohn and David Hernandez

RWB Opti: Katie Abell, Carla Aronsohn, David Harrison, Laura Hernandez, Nick Voss, and Brittany Zirulnick

Green Fleet Opti: Chris Kuyper, Paul Lloyd-James, Simon Lloyd-James, Graham Murza, Alex Tyka and Kara Voss

Congratulations to the following top finishers!

David Hernandez	Laser Radial	3 rd Place
Graham Murza	Green Fleet	10 th Place
Katie Abell	White Fleet	5 th Place
David Harrison	Blue Fleet	2 nd Place
Nick Voss	Blue Fleet	5 th Place

Sailing With Seals

Two of CGSC's top Opti sailors competed in the Argentinean Optimist Championship, an open competition held in early January. Philip Alley and Niklas Anderson, along with two sailors from the Toms River Yacht Club, represented the U.S. under the coaching leadership of Leandro Spina of Miami Yacht Club. Opti Mom Niurka Alley traveled

along and made sure that the boys ate healthy, slept enough, did their school work, made it to the races on time and... had fun in Argentina!

The competition was held at Club Nautico Sud, in Puerto Madryn, on the beautiful coast of the Argentinean Patagonia. A total of 102 advanced racers sailed in some very windy and gusty conditions, but were also lucky enough to have some good 15-20 knot races as well. Adding to the excitement of racing in another part of the world, the sailors shared the ocean with seals frolicking about the course area. On their day off from racing, Niurka, Leandro and the boys took a bike trip through the rugged countryside and visited a seal rookery.

Congratulations to Philip on his 15th Place finish and to Niklas on his 23rd Place finish!!

Kathy Zirulnick, Opti-Mom

RACING RESULTS

Congratulations to the members of Coconut Grove Sailing Club who won awards in the Annual BBYRA Series:

PHRFI
2nd Place

Sic'Em - Rick Rahm

PHRFII
1st Place
2nd Place
3rd Place
5th Place

Goombay - Dave Kurtz
Happy Apple - Tom Seghi
Xtreme - David Behney
Joe Cool - Lionel Baugh

COCONUT GROVE ARTS FESTIVAL

FEBRUARY 14-17

ROADS CLOSED.

NO AUTOMOBILE ACCESS TO CLUB.

Kitchen will be closed.

Grove's Nest Bar open.

Full launch service as usual.

Save the Date!

Coconut Grove Sailing Club's
Annual Rendezvous

April 5th and 6th, 2003

at Elliott Key

Attention:

ALL OWNERS OF CRUISING BOATS

WOULD YOU LIKE TO RACE WITHOUT HAVING TO MODIFY YOUR BOAT, SPRAY YOUR BOTTOM OR BUY NEW SAILS?

HAVE YOU FOUND OUT THAT YOUR BOAT ISN'T COMPETITIVE IN PHRF?

JOIN THE NEW TRUE CRUISING CLASS

- LEAVE YOUR BIMINI TOP UP. We'll give you 3 sec per mile.
- LEAVE YOUR ANCHOR ON THE BOW. We'll give you 3 sec per mile.
- HAVE OLD SAILS? We'll give you 3 sec credit for each sail up to 3 that you have that is over 3 years old.
- DON'T HAVE A 155% GENOA? We'll give you credits for a smaller sail. We'll give you 6 sec for a 135% or 9 sec for a 110%
- HAVE TROUBLE GETTING CREW? Sail shorthanded! We'll give you 12 sec per mile for not flying a spinnaker and you can choose differently for each race. Hate light air races? At 8 knots or under we raft up and go swimming!
- DON'T LIKE CROWDED STARTING LINES, OR SAILING BY YOURSELF? We'll have a pursuit start. Slower boats start first and the faster boats have to catch them so everybody finishes at approximately the same time.
- NEED SOME REACHES TO GET THE MOST FROM YOUR BOAT? We'll always have some.
- WANT A SIMPLE COURSE? We'll use bay markers, the same ones every time.
- HAVE A 2 OR 3 BLADE FIXED PROP? We'll adjust for it – 9 sec for a 2 blade and 12 sec for a 3 blade.
- WANT TO BRING THE KIDS? We'll give you 3 sec per mile for having them on the boat.

PUTTING YOUR BOAT THROUGH THE PACES AROUND THE BAY AND MEASURING YOUR PERFORMANCE AGAINST OTHER BOATS IS FUN AND REWARDING. COME AND JOIN THIS FLEET. BRING YOUR IDEAS ON HOW WE CAN MAKE IT MORE FUN. OUR FIRST RACE WILL BE ON FEBRUARY 9TH.

GILBERT'S RENDEZVOUS - GREAT TURNOUT!

Mother Nature did not provide the best weather for Gilbert's Resort Rendezvous on January 18-20, but we had a great time. We had good food, great drinks, fabulous music, and the company was the best. What more could we ask from the (Martin Luther King) weekend?

In total, nine CGSC sailboats arrived between Friday and Saturday. There were thirty-eight Club members attending this function. Some attending were "new" members and of course the usual icons of the Club, such as Past Commodore Larry Whipple.

My thanks to all those hard working *volunteers* that were instrumental in making this rendezvous a success. You know who you are and hopefully we can make this into a yearly tradition. I would like to give special mention to Julio Rodriguez. He brought seven guests in his sailboat, and six more members of his clan drove down to make it thirteen strong. Mega kudos to you Julio!

Stay tuned for news on our Annual Rendezvous that is scheduled for April 5th and 6th at Elliott Key. My Committee is working very hard to make it the best ever!

Let us keep the spirit of sailing alive.

*Manny Pacin
Rear Commodore*

*Rockin'
New Year's
Eve
at CGSC*

Santa arrives with a billowing Spinnaker and a Flying White Beard on *Finesse*.

NOTICE! NOTICE! NOTICE! NOTICE!

Notice: Mark your calendar!

The city of Miami will honor Past Commodore – John A. Brennan for his dedication to the marine community and to Coconut Grove on Saturday, February 8th at 10:00 a.m. hosted by the Coconut Grove Sailing Club.

For more than two decades, John served the City on the Waterfront Advisory Board (WAB) where he influenced community leaders and was our advocate at City Hall.

Please join the members of the WAB and Commissioner Johnny Winton, to officially honor him by naming the South Channel leading into Biscayne Bay from the Coconut Grove Sailing Club's mooring area and Dinner Key the John A. Brennan Channel.

Congratulate John and meet Commissioner Winton on this important occasion!

NOTICE: Partnership Meeting

The CGSC has for years been involved in many activities that make Miami a better community. On Feb. 13 at 7:00 PM at the Club you are invited to come to help inventory these activities, discuss their contribution to the quality of life in Miami and determine what more the Club can do to make CGSC an even better partner with the City of Miami.

Bill Mauk, Chairman
Future Development Committee

TOP TEN REASONS TO HAVE L.B. CARPENTER PREPARE YOUR TAXES:

1. You can apply the money you save by paying less tax towards your *Autolux™ Two-Speed Self-Tailing Smoothie-Shed-Winch-Funk*.
2. Time spent preparing taxes yourself is better spent reexamining your brightwork.
3. Heavy smudges in Accountant's Rep can be applied towards next year's haulout.
4. Do you see a pattern emerging here?
5. His office is right down the street from West Marine.
6. Because he knows his business as well as you know yours.
7. Because he knows the IRS aspects as well as you know the barkeepers at the Toward.
8. He actually enjoys preparing taxes – do you?
9. Let him worry about your taxes – his hair is already grey.
10. All the other accountants in town are powerboaters.

L.B. CARPENTER, CPA, MBA, IRS Liaison

LBBEATSIRS@AOL.COM

Learn to Sail Program begins for Kids

The Coconut Grove Sailing Club is currently enrolling youngsters of our members or from the City's community in our [great] *Learn to Sail Program for Kids*.

Each class will meet on three consecutive Saturday's for 3 hours. Parents may select a *Morning Session* that will begin promptly at 9:00 AM until 12:00 Noon, or an *Afternoon Session* that will begin at 1:00 PM and finish at 4:00 PM. Since the classes are open to our entire community, please spread the word to your friends. *The cost of this program is \$75.*

We ask that you be sure your child can attend each of the three classes when you are assigned a date for the first class. Each session will be limited to 6 children and enrollment will be on a first come basis.

For registration and information—please call Beth Hernandez (a volunteer) at (305) 271-0148 to enroll.

IN MEMORIUM

Robert H. McTague

Bob died on December 31, 2002. He was an avid sailor and always a boat owner. His sailboat "Nimbus" was moored at the Coconut Grove Sailing Club. He served on our Board of Directors and was Commodore (1976-77) and was a Life Member.

Donald A. Mitchell

Don died on January 8, 2003. He was a life member of the Coconut Grove Sailing Club and the Miami Power Squadron. When he was not flying or tinkering with experimental aircraft, he was designing and building motor sailers. Boating was his life!

Sharon Pearce

Sharon died on November 7, 2002. She loved the ocean, the beach and especially sailing. She was active in WYRA and sailed on Dona Pituca with skipper Jo-An Pszenny. With an adventuresome spirit, she chartered boats in Greece and the San Juan Islands. She was a longtime Miami resident and club member.

The Mission Statement below is in draft form. If you would like to provide input into the needs of this document, contact Bill Mauk, Chairman of the Future Development Committee at (305) 858-8855 or email Whmpenultimate@aol.com

COCONUT GROVE SAILING CLUB MISSION STATEMENT

The Coconut Grove Sailing Club will be the number one promoter of sailing in Miami. Through teaching, training, instructional courses, boat storage and moorings and a sailing infrastructure as well as sailing events and social activities, it will introduce sailing to the community. It will provide continuing activities to maximize the number of people enjoying and participating in the wonderful sport of sailing, and teach respect and understanding for Miami's magnificent natural resource—Biscayne Bay.

The Club recognizes it has a responsibility beyond its own members and will provide extensive opportunities for kids, young people and adults of every background and economic circumstance whether they are members or not. The Club's outreach will be proactive.

Introductory, intermediate, advanced and elite courses and instruction will be available. Sailing socials, racing regattas and clinics and cruising events will be actively supported for the community and beyond.

The Club will have available for its courses and other events a sufficient number of boats of various classes to adequately provide a range of sailing experiences.

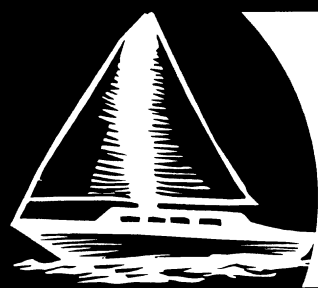

The Club will have a full-time Sailing Director to manage the implementation of its programs, with the assistance of the Youth and Adult Sailing Committees, Sailing Foundation, Racing Committee, Community Outreach, other Committees as appropriate and Club volunteers.

The Club will be reasonably priced for membership, boat moorings and storage and courses to encourage people of moderate income to participate in sailing and the coming together of the entire community.

The Club each year will determine how much it could afford to do given that the promotion of sailing to all segments of our community is the number one priority. Specific goals and objectives should be set forth each budget year.
