About the Coconut Grove Sailing Club

The Coconut Grove Sailing Club will soon celebrate 60 years of rich history. The sailing club was started by a group of Miami residents based on a shared love for sailing, a passion for Biscayne Bay and, a sprit of volunteerism in providing community service. The founding member's formed the foundation to provide a safe venue to teach children to sail and to run sailboat regattas for the community. Over the years, CGSC became a leader in the international sailing community. Today we run adult and children sailing classes, community service programs, racing education programs and, free sailing classes for underprivileged children. Thousands of Miami residents have learned to sail at CGSC, and if you're just dipping your big toe into the friendly waters of Biscayne Bay, you couldn't find a better place.

In addition to the community and education programs, the CGSC runs sailboat races! We are highly regarded for our race management expertise, having run international races for the Olympics. In 2002 we were the hosting venue for the entire Olympic Class regatta. On the local level, racing runs the gamut from Biscayne Bay Yacht Racing Association (BBYRA) events that are open to the public through BBYRA membership and our open-to-all Wednesday night "Beer Can Races" during the summer.

CGSC takes great pride in providing quality programs which benefit the community and teaching not only the technical aspects of sailing but also the underlying principles of seamanship, fellowship, and respect for nature.
